TO WHOM IT MAY CONCERN

This is to certify that INTERART'S SERVICES as a Leader in Plumbing & Interior Work has been working with us for years. With their technical expertise and skilled plumbers, they always made those works possible for us for which we now feel great and proud of. INTERART'S will always be best fitted with the proverb that says, "nothing succeeds like success". Apart from Plumbing Work with us, they are at present showing their workmanship with their prised and experienced expertise in Interior Work also. Above all, they are now not mere business associate of us, family member also.

Good wishes to Mr. HITESH VORA always.

TO WHO IT MAY CONCERN

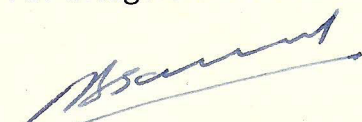

We are having great pleasure to write about **Interart Creators, Complete Plumbing Solutions**, as we are the benefiteres since last eight years.

We want to acknowledge and appreciate specifically the design part along with their expertise in execution of the work. Just to share with you – because of beautiful & perfect **design** offered by Interart, we have not fallen in **need** to look after our external drainage system; even to open and clean any chamber and septic tank since last eight years, and then too, complete system is working fine.

We are extremely happy when we came to know that, Interart Group has now officially launched the Consultancy in the name of **Ideal Progressive Consultancy – Art & Science of Plumbing Engineering**, with a vision of “Each and every person experiencing Healthy and Hygienic environment”.

We wish all the best to **Ideal Progressive Consultancy** for their future progress and we are clear that now more and more people will start getting the benefits of the Design Expertise.
